Partners in Empowerment

THANK YOU FOR GIVING!

I address you as partners because at Shaun Smith’s 91 Ways Foundation, we understand no one organization does anything alone. We know without you, our faithful supporters and donors, the Mission could not meet the needs of the children in our community.

Together we are Empowering, Enriching, and Excelling and will continue to do so. As you read this quarter’s newsletter, may your heart be touched by all the work that 91 Ways Foundation has accomplished. It is because of your gifts; children receive the encouragement and support they need. Thank you for your dedication to Shaun Smith’s 91 Ways Foundation. Together we are making a difference.

Empowerment, Enrichment, Excellence!

BACK TO SCHOOL SUPPLY DRIVE

A pencil is not just a pencil for some students. At 91 Ways Foundation we understand that a pencil becomes so much more in the hands of a future leader.

This year your donations helped to ensure that the future leaders of tomorrow had the supplies and inspiration they needed when the first bell rung so they could walk confidently, smile wider, and dream bigger.

MENTORSHIP – BREAKFAST WITH DADS

On Thursday October 10, 2019 at Billy Earl Dade middle school in Dallas, TX, 91 Ways Foundation Founder Shaun Smith along with his NFL brothers Tommie Harris, Isaiah Stanback, and Bethel Johnson partnered with “A

Steady Hand” Organization at the school’s Breakfast with Dads Event. During this event players answered questions from the young male students, demonstrated how to tie a tie, and enjoyed engaging the students during breakfast. It is because of your support that 91 Ways Foundation can put smiles on the faces of young men through mentorship.

Empowerment, Enrichment, Excellence!

OL/DL SKILLS CAMP

We recently held our 3rd annual Football Challenge Camp with record attendance. This event continues to introduce a new generation of kids to football and the skills necessary to be successful both on and off the field. It brings current and former NFL players together with the community working hands-on with each child on the fundamentals of offensive and defensive line positioning and what it takes to make it to the next level.

Empowerment, Enrichment, Excellence!

AWARDS & RECOGNITION

In 2019, the 91 Ways Foundation recently received an award for outstanding work in the community. Founder Shaun Smith was recognized for making significant contributions to his community through his time, actions, talents and dedication.
